International Conference Industrial Technologies and Engineering

ICITE- 2020

VII International Annual Conference «Industrial Technologies and Engineering»

12-13 November 2020
Shymkent, Kazakhstan

Dear Colleagues!

VII International Annual Conference «Industrial Technologies and Engineering – ICITE-2020» will be held at the M. Auezov South Kazakhstan State University.

To participate in work of conference scientists of higher education institutions and the research institutes, representatives of industry of the Republic of Kazakhstan and foreign countries having significant results of scientific studies are invited.

The aim of the conference is to discuss the research results in the field of chemical engineering, nano-and biotechnology, agricultural complex and food industry, textile industry, mechanics, ecology and rational nature management, renewable energy and energy-saving technologies, IT, social-economical development, engineering education and University strategy.

Topics

1. Science and technology in mining and processing of mineral raw material

- 1 Oil and gas engineering: exploration, production and processing
- 2 Chemistry and technology of polymer composite materials
- 3 Chemical technology of inorganic substances, silicate materials and metallurgy

2. Current development problems of technics and technologies

- 1 Agro-industrial complex and agribusiness
- 2 Food engineering in the context of food security in Kazakhstan
- 3 Modern technologies in light and textile industries
- 4 Mechanics, engineering, transport and logistics
- 5 Architecture and construction: technologies and materials
- 6 Renewable energy and energy saving technologies

3. Computer and information technologies

- 1 Theoretical and applied research in the field of physical and mathematical sciences
- 2 Software Engineering
- 3 IT- technologies and production automation

4. Life sciences and health

- 1 Breakthrough scientific advances in biotechnology and bioengineering
- 2 Ecology and problems of environmental protection
- 3 Technology of pharmaceutical production and medicines
- 4 **Industrial** safety and sanitary prevention
- 5 Physical culture and sports are the basis of a healthy lifestyle
- 6 Development of inclusive education: research in the field of psychology, defectology and **deaf-and-dumb pedagogy**

5. Týǵan jer. Seven Facets of the Great Steppe: the legacy and origins of the spiritual modernization of society

- 1 Kazakhstan in a new reality: time for action
- 2 Independent Kazakhstan: past, present and future

Application form:

Application		
1.	Full name of author	
2.	Academic degree, academic title	
3.	Organization, position	
4.	Address	
5.	Contact phone, E-mail	
6.	Paper title	
7.	Section title	

The publication fee for a paper in the conference proceedings is: for foreign authors is \$50, for Kazakhstani authors is 6 000 KZT. Papers will be accepted till 1st of November, 2020 by e-mail addresses ite_sksu@mail.ru or at the address: 160012, Republic of Kazakhstan, Shymkent, 5 Tauke khan avenue, M. Auezov South Kazakhstan University, the educational building No.16, the 2nd floor, office 206, responsible secretary of the Organizing committee of conference is Ulzhalgas Bakytkyzy Nazarbek, PhD, Director of Department of Academic Science of M. Auezov SKU, technical editor Ainabekov Nurzhan Bauyrzhanovich.

For any questions please contact the organizing committee

Phone: +7 (7252) 21-19-82, 30-05-71

Fax: +7 (7252) 21-19-89
